Mark M ^[1]

Anyone for pudding? Mark is. Pudding is his favourite dinner, lunch and tea. If Mark doesn't get pudding when he needs it, terrible repercussions repercuss. A Kitsch bass, assistant beatboxer and move-master, Mark also knows a thing or two about parcour. This means we have to be very very careful when selecting rehearsal venues so that he doesn't, like Shirley Bassey, wind up tangled in a web of chairs (or was it a web of sin?). Either way, the results could be extremely messy.

In actual fact, we have recently discover that Mark is made of pudding. And you can't tell from his photo can you? Quite remarkable really. Quite.
